Paul Lim : Financial Planning Demystified before purchasing it in order to gauge whether or not it would be worth my time, and all praised Financial Planning Demystified:

0 of 0 people found the following review helpful. great book
By babykitty Good book, straight forward and easy to understand for a 'beginner' investor. I have a planner but wanted to learn more myself.
0 of 0 people found the following review helpful. Five Stars
By Barbara Sullivangood and comprehensive explanations to help the average person understand financial basics; a great reference book.
3 of 3 people found the following review helpful. Great Guide for a Novice
By Political Junkie Great book, well written, but the best part is it's understandability. This book is an excellent reference tool for the "soon to be retired". It will enable you to participate in meetings with financial planners without the fear of being steamrolled or having that deer in a headlights look. Read, enjoy, and get an education into the world of financial planning.....yee haw!

Plan for a bright financial future
Planning for your kids' college tuition and your own retirement is a lot more difficult today than it was for your parents. Self-directed retirement accounts like 401(k)s and IRAs as well as tax-deferred

college savings plans require you to make your own savings and investment decisions. That's why you need *Financial Planning Demystified*. Written by Paul Lim, Chief Financial Correspondent for U.S. News World Report, this book begins by focusing on assets and liabilities and discusses ways to save money, avoid debt, and maintain good credit. Then, you'll get a thorough overview of different types of investments, such as stocks, bonds, mutual funds, real estate investments, and more. Finally, you'll find easy-to-follow advice on how to organize and protect your financial accounts. This quick and easy guide features: Checklists and questionnaires to help you plan Proven advice from a financial expert Helpful charts and tables A quiz at the end of each chapter to reinforce learning and pinpoint weaknesses A final exam at the end of the book No unnecessary technical jargon Packed with clear explanations and priceless tips from a pro, *Financial Planning Demystified* is your shortcut to planning for a lifetime of income.

About the Author Paul J. Lim is chief financial correspondent for U.S. News and World Report magazine and writes an investing column for the New York Times. He is the author of *Investing Demystified*.
