International Monetary Fund : Financial Policy Workshops: The Case of Kenya before purchasing it in order to gauge whether or not it would be worth my time, and all praised Financial Policy Workshops: The Case of Kenya:

This book written by the staff of the IMF Institute, offers a series of workshops on Kenya that are used as a case study in the Institute's course on Financial Analysis and Policy for officials of IMF member countries. The workshops combine theory and practice for a better understanding of the use of major financial policy instruments in the management of national economies.
