Erik Renaud : Fisher Investments on Consumer Discretionary (Fisher Investments Press) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fisher Investments on Consumer Discretionary (Fisher Investments Press):

This installment of the Fisher Investments On series is a comprehensive guide to the Consumer Discretionary

industry; which includes companies such as auto manufacturers, homebuilders, sports equipment manufacturers, hotel developers and operators, cruise lines, retail websites, and department stores, to name just a few. This reliable guide can help you in making top-down investment decisions specifically for the Consumer Discretionary sector. It shows how to determine better times to invest in Consumer Discretionary, which Consumer Discretionary industries and sub-industries are likelier to do best, and how individual stocks can benefit in various environments. The global Consumer Discretionary sector is complex, covering many sub-industries and countries with unique characteristics. Using the framework detailed in this book, you can learn to be better equipped to identify their differences, spot opportunities, and avoid major pitfalls. Given the vast market landscape and diverse geographic operations, it is vital to maintain a global perspective when investing in the Consumer Discretionary sector. This invaluable resource provides the tools that can help you understand and analyze opportunities both in the United States and abroad within this diverse sector. For more information, visit www.consumerdiscretionary.fisherinvestments.com. About Fisher Investments Press Fisher Investments Press brings the research, analysis, and market intelligence of Fisher Investments' research team, headed by CEO and New York Times bestselling author Ken Fisher, to all investors. The Press covers a range of investing and market-related topics for a wide audience; from novices to enthusiasts to professionals.

From the Inside Flap The Fisher Investments On series is designed to provide individual investors, aspiring investment professionals, and students the tools necessary to understand and analyze investment opportunities; primarily for investing in global stocks. Each guide is an easily accessible primer to economic sectors, regions, or other components of the global stock market. While this guide specifically focuses on Consumer Discretionary, the basic investment methodology is applicable for analyzing any global sector, regardless of the current macroeconomic environment. Following a top-down approach to investing, Fisher Investments on Consumer Discretionary can help you make more informed decisions within the Consumer Discretionary sector. It skillfully addresses how to determine the optimal times to invest in Consumer Discretionary stocks and which Consumer Discretionary industries and sub-industries have the potential to perform well in various environments. Divided into three comprehensive parts; Getting Started, Consumer Discretionary Details, and Thinking Like a Portfolio Manager; Fisher Investments on Consumer Discretionary: Explains some of the sector's key macro drivers; like consumer spending, income, and employment Shows how to capitalize on a wide array of macro conditions and industry-specific features to help you form an opinion on each of the industries within the sector Takes you through the major components of the 12 sub-industries within the global Consumer Discretionary sector and reveals how they operate Offers investment strategies to help you determine when and how to overweight specific industries within the sector Outlines a five-step process to help differentiate firms in this field; designed to help you identify ones with the greatest probability of outperforming Filled with in-depth insights and expert advice, Fisher Investments on Consumer Discretionary provides a framework for understanding this sector and its industries to help you make better investment decisions; now and in the future. With this book as your guide, you can gain a global perspective of the Consumer Discretionary sector and discover strategies to help achieve your investing goals.
