Vargasa great book. some of the chapters are review from previous stuff ive read but an overall great resource to go back too.0 of 0 people found the following review helpful. not really great.By b.n.swamy. managing director, Imed pharmaceutical India pvt ltd.The contents of the book doesn't match with title of the book. All the 10 steps are useless, doesn't bring any focus.19 of 21 people found the following review helpful. DisappointedBy Jay DreyerI was expecting something different from this book - maybe

something more along the Getting Things Done path than what this ended up being. It is definitely a short read - the highlights are outlined in the book description above. I'd say this is definitely geared more towards management than worker bee's, but there are still a few things anyone can use. Number one being, just say "no" to meetings that don't provide any value. Other than that (which I already try to practice), I just didn't get much out of this book. I'm a little surprised by all of the glowing reviews I read here. Maybe I missed something.

In Focus Like a Laser Beam, acclaimed management consultant and business blogger Lisa Haneberg offers business leaders a new way to direct their focus that, like a laser beam, is direct, fast, and on track. The book offers leaders ways to improve energy and engagement in the workplace and redirect how people communicate at work. Focus Like a Laser Beam is filled with useful suggestions for dealing with distractions and diversions and outlines the ten practices that will help leaders focus on what's most important. Know and feel the power of laser focus Get connected with your employees Have fun and be fun Relax to energize Turn meetings into focus sessions Invite a challenge Huddle Stop multitasking and put your focus where it belongs Do one great thing Let go of outdated goals, projects, and tasks

"Given today's fast pace of life, we all need Lisa's coaching on setting priorities! Quit saying, 'I can do it all!' Read this book and say, 'I can do what matters!' Great coaching for busy people!" —Marshall Goldsmith, executive coach; author or coeditor of *The Leader of the Future*, *Global Leadership*, and *Coaching for Leadership* "In this hyperactive world where our work is interrupted once every eleven minutes it's easy to conclude that as critical as focus is, it is beyond our grasp. But with this book in hand you can get both the methods and the kick-in-the-pants you need to overcome easy excuses and make focus a competitive advantage for you and your team." —Laurence Haughton, author, *It's Not the Big That Eat the Small . . . It's the Fast That Eat the Slow* and *It's Not What You Say . . . It's What You Do* "Lisa Haneberg's thoughtful book, *Focus Like A Laser Beam*, is important reading for managers and others looking to create value in their organization. In a time when too many priorities, messages, and issues make decision making difficult to do, this book helps the reader effectively sort through these items by focusing on what's important in improving their organization." —Ken Thrasher, CEO, Compli, and retired CEO and president, Fred Meyer Stores

From the Inside Flap Today's business managers and leaders are expected to handle impossible workloads and get results.
