**John L. Person : Forex Conquered: High Probability Systems and Strategies for Active Traders: WITH Pivot Point Calculator** before purchasing it in order to gage whether or not it would be worth my time, and all praised Forex Conquered: High Probability Systems and Strategies for Active Traders: WITH Pivot Point Calculator:

Praise for FOREX CONQUERED "In this amazing book, John covers it all. From trading systems to money management to emotions, he explains easily how to pull money consistently from the most complicated financial market in the world. John packs more new, innovative information into this book than I have ever seen in a trading book before." mdash;Rob Booker, independent currency trader "John Person is one of the few rare talents that are uniquely qualified to help traders understand the process of successful trading. With today's markets becoming increasingly challenging, John has cut right into the essentials and brought forward the much-needed tools of forex trading. This clear and well-organized publication is a major step forward in helping traders gain an edge. I would highly recommend Forex Conquered as a valuable handbook for both aspiring and experienced traders alike." mdash;Sandy Jadeja, Chief Market Analyst and EditorLondon Stock Exchange, London, England "Forex Conquered is a bold title, but this book delivers the tools needed for successful forex trading. There is no fluff here, just the wisdom of a trading veteran that I have always respected-and followed." mdash;Michael Kahn, Editor, Quick Takes Pro market letter and Columnist, Barron's Online "This is a wonderful, in-depth view into the explanation of technical analysis and prudent money management guidelines in the forex market." mdash;Blake Morrow, President, 4XMadeEasy "Forex Conquered is a meaningful contribution to the growing number of books on forex trading. John Person provides a professional view of forex trading that readers will be able to use as a guide for strategies and tactics that work. The scope of the book covers more than forex and includes salient aspects of futures and option trading. It should be read and then re-read!" mdash;Abe Cofnas, President, Learn4x.com Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.
