James Dicks : Forex Trading Secrets: Trading Strategies for the Forex Market before purchasing it in order to gauge whether or not it would be worth my time, and all praised Forex Trading Secrets: Trading Strategies for the Forex Market:

0 of 0 people found the following review helpful. Forex Explained The Easy Way By Laurette V. Straight to the point writing, easy to understand and grab the concept. 2 of 2 people found the following review helpful. No "secrets". By Andrey This book is not so good enough for beginners, it very broadly covers all aspects of trading so you may want to

explore other resources after it. I found some advises and personal experience notes useful, however there are several unacceptable mistakes in this book - like some of the Candlestick patters starting at page 276. The book will help you refresh your existing knowledge of topics, there are unfortunately no "secrets". 3 of 3 people found the following review helpful. waste of time and money By mariner read the book - basic stuff. the guy's not a guru on forex or trading and what you'll pick up from the book you can pick up free of charge from googling - and a heck of a lot money; don't waste your money

Just a decade ago, the Foreign Exchange was a market reserved for a select few. Now, anyone can actively trade in this profitable market— even those with no formal financial education. Enter James Dicks, a leading FOREX expert and educator who cut his teeth in this burgeoning market and wants to share his years of experienced wisdom with you. FOREX Trading Secrets is a one-stop sourcebook packed with everything a trader needs to quick-start success in a 24-hour market. In addition to covering every fundamental aspect of the FOREX, this hands-on guide provides hard-won tools and strategies from a seasoned trader, who helps you minimize your exposure to the inherent risk in this unique market. A useful volume you'll turn to again and again, FOREX Trading Secrets features specific examples of proven trading strategies working in the real world, a simple and profitable technique for money management, and confidence-building skills for creating your own source of income. If you have never traded the FOREX before, FOREX Trading Secrets is the place to start. It covers the essential basics, including all major currency pairs, the mechanics of trading, how to place a trade, and deciding what type of trader you are. Experienced traders gain expert insight into the fundamentals, as well as such advanced topics as creating a successful trading plan, managing risk, mastering your emotions, and building your portfolio. You will benefit from An insider's clarification of the Carry Trade Seeing technical indicators and patterns through a master's eyes The secrets to FOREX diversification A detailed explanation of the author's personal trading approach A Trader's Ten Commandments There is no holy grail of FOREX trading, but with FOREX Trading Secrets, all you need is practice to build a powerful trading toolbox for wealth security in the world's biggest financial market.
