Alan Sangster, Frank Wood : Frank Wood's Business Accounting Volume 1 13th edn before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frank Wood's Business Accounting Volume 1 13th edn:

0 of 0 people found the following review helpful. Five StarsBy sophia PetersVery good condition0 of 0 people found the following review helpful. Excellent conditionBy Trevor JohnsonCame in great condition,

'An excellent book, well written with each chapter building logically on the last, allowing students to build their knowledge in manageable steps.' Stephen McNamee, University of Ulster The world's best-selling textbook on book-keeping and accounting, Business Accounting Volume 1 continues to provide an indispensable introduction for students and professionals across the globe. It is renowned for its clarity, with easy-to-understand language and a plethora of examples to aid your understanding. In the 13th edition, which is fully compliant with International Financial Reporting Standards (IFRS), all topics have been fully updated, including areas such as computerised

accounting, banking, and accounting concepts and assumptions. With a brand new Chapter 2 on double entry, and more than 100 new review questions and activities, this edition contains all you need to understand and consolidate the key concepts in accounting. Please note that the product you are purchasing does not include MyAccountingLab. MyAccountingLab Join over 11 million students benefiting from Pearson MyLabs. This title can be supported by MyAccountingLab, an online homework and tutorial system designed to test and build your understanding. Would you like to use the power of MyAccountingLab to accelerate your learning? You need both an access card and a course ID to access MyAccountingLab. These are the steps you need to take: 1. Make sure that your lecturer is already using the system Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system. 2. Check whether an access card has been included with the book at a reduced cost If it has, it will be on the inside back cover of the book. 3. If you have a course ID but no access code, you can benefit from MyAccountingLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyAccountingLab (ISBN:9781292088549) 4. If your lecturer is using the MyLab and you would like to purchase the product...Go to www.myaccountinglab.com to buy access to this interactive study programme. For educator access, contact your Pearson representative. To find out who your Pearson representative is, visit www.pearsoned.co.uk/relocator

About the Author Alan Sangster is a chartered accountant (ICAS) with an undergraduate degree in Business Studies, a master's degree in Operational Research, and a PhD in accounting education. He has worked at Glasgow Caledonian University; the University of Strathclyde; Aberdeen University, The Queen's University, Belfast; the Open University; the Robert Gordon University; and Middlesex University. He has published over 50 articles and book chapters and has presented his research at over 100 conferences. He is professor emeritus at Middlesex University, London, and is an international visiting professor at the University of São Paulo, Brazil and at the University of Minho, Portugal. His research interests lie in accounting systems, accounting education, accounting practice, and accounting history, where his focus is upon accounting and business practice from 1200 to 1900 and, in particular, the life and work of Fra Luca Pacioli. He has been co-author of Business Accounting and A-Level Accounting since 1994 and will be editor of Accounting Education: an international journal from 2012.
