Mark Singer : Funny Money before purchasing it in order to gage whether or not it would be worth my time, and all praised Funny Money:

0 of 0 people found the following review helpful. Five StarsBy Barry StrawnGreat book.0 of 0 people found the following review helpful. Oil History Made Simple!By CustomerLost my original copy; so glad to get the replacement! Fascinating - was there when it all happened. Worked with or knew all the players - what a great time while it lasted!0 of 0 people found the following review helpful. Four StarsBy CustomerVery informative

From esteemed New Yorker writer Mark Singer comes this cautionary tale of the Penn Square Bank, the oil and gas

broker in an Oklahoma City shopping mall whose collapse in 1982 staggered America's banking industry. Recounting the whole spectacular story and its colorful characters, Singer makes brilliantly (and hilariously) clear what actually happened and why it had to happen in boom-time Oklahoma. Nowhere else did money flow in quite the same spontaneous fashion. "A tale of wonderful verve" (New York Times), *Funny Money* comes to life through Singer's vivid prose and continues to resonate in today's culture of corporate corruption.

"*Funny Money* is nothing short of astounding" About the Author Mark Singer has been a staff writer for *The New Yorker* since 1974. He is the author of *Funny Money*, *Mr. Personality*, *Citizen K*, and *Somewhere in America*. He lives in New York City.
