Suk H. Kim, Seung H. Kim : Global Corporate Finance: Text and Cases before purchasing it in order to gauge whether or not it would be worth my time, and all praised Global Corporate Finance: Text and Cases:

0 of 0 people found the following review helpful. A lot of information, but badly written. By PeaceCutter This book has a lot of information - I mean a lot. There are some really useful gems in there. That being said, the language skills of the authors leave something to be desired. The monotonous reading makes for a very good sleep aid (and I actually like finance). The authors dabble in fancy sentences that end up being just confusing. Maybe the non-native English of the authors creates this phenomenon, but at the end, all it matters is that you have to re-read many paragraphs to get what they are trying to say. Badly written, monotonous, very short-sighted. I wouldn't have purchased this book if it wasn't required by one of my classes. 0 of 0 people found the following review helpful. Great book By Harish Pandurang It is very helpful book for students who are doing MBA-FIN . Also it gives insight to Global Finance concepts .0 of 0 people found the following review helpful. Excellent! By AG Great product, excellent price, it was a pleasure dealing with this company. I would definitely purchase this product again from this company.

Global Corporate Finance, sixth edition provides students with the practical skills needed to understand global financial problems and techniques. Retains the user-friendly format of previous editions while offering expanded material on corporate finance and governance, international markets, global financial dynamics and strategies, and risk management techniques. Each chapter begins with a real-world case study to be explained by theories and research findings presented throughout the chapter. End-of-chapter mini-cases further reinforce students' understanding of the material covered. This edition is supported by a comprehensive Study Guide and an Instructor's Manual, available at www.blackwellpublishing.com/kim.
