William F. Buckley : God and Man at Yale: The Superstitions of 'Academic Freedom' before purchasing it in order to gage whether or not it would be worth my time, and all praised God and Man at Yale: The Superstitions of 'Academic Freedom':

0 of 0 people found the following review helpful. Five StarsBy Flint LockWhat a great fellow.0 of 0 people found the following review helpful. He wrote a wonderful critique of Yale--and every other modern universityBy Richard E. J. BurkeI went to Yale Graduate School a decade after Buckley did undergrad. He wrote a wonderful critique of Yale--and every other modern university. The United States' educational system failed first in the universities, which turned out the teachers that failed to teach the primary, intermediate, and secondary school students--and the nation at large in

the halls of business, industry, finance, government, and the arts. I agree with Buckley on why they failed. 0 of 0 people found the following review helpful. Five Stars By David Reagan Prophetic in nature.

“For God, for country, and for Yale...in that order,” William F. Buckley Jr. wrote as the dedication of his monumental work—a compendium of knowledge that still resonates within the halls of the Ivy League university that tried to cover up its political and religious bias. Buckley’s harsh assessment of his alma mater divulged the reality behind the institution’s wholly secular education, even within the religion department and divinity school. Unabashed, one former Yale student details the importance of Christianity and heralds the modern conservative movement in his preeminent tell-all, *God and Man at Yale: The Superstitions of “Academic Freedom”*;
