Sage De Clerck, Tobias Wickens : Government Finance Statistics Manual 2014:Manual before purchasing it in order to gauge whether or not it would be worth my time, and all praised Government Finance Statistics Manual 2014:Manual:

The Government Finance Statistics Manual 2014 (GFSM 2014) describes a specialized macroeconomic statistical framework—the government finance statistics (GFS) framework—designed to support fiscal analysis. The manual provides the economic and statistical reporting principles to be used in compiling the statistics; describes guidelines for presenting fiscal statistics within an analytic framework that includes appropriate balancing items; and is harmonized with other macroeconomic statistical guidelines.
