From North Holland : Handbook of Sports and Lottery Markets (Handbooks in Finance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook of Sports and Lottery Markets (Handbooks in Finance):

Its basic empirical research and investigation of pure theories of investment in the sports and lottery markets make this volume a winner. These markets are simpler to study than traditional financial markets, and their expected values and outcomes are uncomplicated. By means of new overviews of scholarship on the industry side of racetrack and other betting markets to betting exchanges and market efficiencies, contributors consider a variety of sports in countries around the world. The result is not only superior information about market forecasting, but macro- and micro-analyses that are relevant to other markets.* Easily studied sports markets reveal features relevant for more complex traditional financial markets * Significant coverage of sports from racing to jai alai * New studies of betting exchanges and
