Throughout undergraduate business studies, the ideas and concepts behind managing up are never discussed. Ultimately, my ability to manage up was more critical to my growth than my technical capabilities. After reading this guide, I was able to rework my mindset and relaunch my career growth.5 of 5 people found the following review helpful. Nice readBy John BrownGreat selection of articles.I wish Kindle would have better support for the tables.Still a great book and worth the money.0 of 0 people found the following review helpful.
