Beverly Kaye, Julie Winkle Giulioni : Help Them Grow or Watch Them Go: Career Conversations Employees Want before purchasing it in order to gauge whether or not it would be worth my time, and all praised Help Them Grow or Watch Them Go: Career Conversations Employees Want:

Helping Employees Develop Themselves Study after study confirms that career development is the single most

powerful tool managers have for driving retention, engagement, productivity, and results. Nevertheless, it's frequently back-burnered. When asked why, managers say the number one reason is that they just don't have time for the meetings, the forms, the administrative hoops. But there's a better way. And it's surprisingly simple: frequent short conversations with employees about their career goals and options integrated seamlessly into the normal course of business. Beverly Kaye, coauthor of the bestselling *Love or Lose*, and Julie Winkle Giulioni identify three broad types of conversations that will increase employees' awareness of their strengths, weaknesses, and interests; point out where their organization and their industry are headed; and help them pull all of that together to design their own up-to-the-minute, personalized career plans. *Help Them Grow or Watch Them Go* is filled with practical tips, guidelines, and templates, as well as nearly a hundred suggested conversation questions.
