From SAGE Publications, Inc : **Hidden Conflict In Organizations: Uncovering Behind-the-Scenes Disputes (SAGE Focus Editions)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden Conflict In Organizations: Uncovering Behind-the-Scenes Disputes (SAGE Focus Editions):

0 of 1 people found the following review helpful. out of date informationBy AliceInWonderlandThis book was published in 1992 and I feel it does not contain necessary insights into workplace issues that are relevant today.

Conflict is a persistent fact of organizational life. Much of it, however, rarely becomes public and instead is expressed `behind the scenes' in such forms as avoidance, toleration, gossip and vengence. This book takes examples from a

number of organizational settings and makes the case that far from being an occasional occurrence, conflict is embedded in their very fabric. The authors go on to illustrate the frequency of conflict, show how conflicts are actually handled and suggest that these conflicts can be better managed for organizational effectiveness.
