Arun Sharma : How to Prepare for Quantitative Aptitude for the CAT, 5e before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Prepare for Quantitative Aptitude for the CAT, 5e:

0 of 0 people found the following review helpful. Best ever book for preparing aptitude tests. By Jihun, ChaRecommended to anyone preparing for aptitude tests. Quality contents, well-made tests, and well-organized. Very good!!! The best thing about this book is that, before any chapter, it re-constructs the concept of addition, subtraction, multiplication and division so that you can resolve questions much more faster and efficiently.

The revised edition of Quantitative Aptitude for the CAT established bestseller is as per the latest pattern of the CAT (Common Admission Test) question paper. The book will also be extremely useful for those preparing for other MBA entrance examinations like XAT, SNAP, CMAT, NMAT, etc. Quantitative Aptitude is quite challenging component of the CAT question paper and the other mentioned MBA entrance examinations. In his inimitable style, Arun Sharma, an acknowledged authority on the topic, provides a comprehensive package of theory and practice problems to enable

aspirants to attempt questions with extra speed and confidence.
