I finally trained her to stop buying me ugly sweaters for Christmas but now I have to train her to stop buying me dumb books. This is worse than "Who Moved My Cheese".0 of 1 people found the following review helpful. entertainingBy kzA very humourous take

on salient points about life as an employee. Just wish I could have convinced my grown children to take the points made a little more seriously.

It's a dog eat dog world out there, especially when it comes to the competitive business arena. I personally coined the professional title Chief Pet Officer, or CPO. In the animal world, competition is fierce and I quickly realized that wherever I looked, another so-called Alpha Dog, also at the top of their trade, was barking their way to the top and attempting to claim even more fresh business territory.
