Joanna Gray, Jenny Hamilton : Implementing Financial Regulation: Theory and Practice (The Wiley Finance Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Implementing Financial Regulation: Theory and Practice (The Wiley Finance Series):

Now that the Financial Services and Markets Act 2000 has had a chance to bed itself down and the Financial Services Authority (FSA) is developing its new regulatory toolkit and modus operandi, financial regulation has moved on in interesting directions. This book takes a critical look at the principles and practices behind this regulation, as well as the theory that is involved. This book goes further than a description of the laws that are currently out there, by analysing the impact and implications of the new financial regulations, making it a 'must-read' for law, finance and accounting practitioners. Coverage includes: Regulation and compliance; disclosure risk and regulation and stakeholders in financial regulation.
