Sally Bedell Smith : In All His Glory: The Life and Times of William S. Paley and the Birth of Modern Broadcasting before purchasing it in order to gage whether or not it would be worth my time, and all praised In All His Glory: The Life and Times of William S. Paley and the Birth of Modern Broadcasting:

2 of 2 people found the following review helpful. Not a Lot of Glory But a Lot of StoryBy C. F. CarperHonestly had a hard time getting through this book. It was so repetitive - he was selfish, egotistical, dishonest, a womanizer, etc. I think 200+ pages could have been removed and bullet points added under "People Bill Paley Screwed Over", 'People

Bill Paley Screwed', 'Ideas Bill Paley Stole' etc. Was hoping for a deeper look, but perhaps one can't find a deep book about a man who appears to be many things, but mostly shallow. 2 of 2 people found the following review helpful. how did he get away with all that messing around? By Peanutmonster It seems that guys who do big things, also mess around a lot. Paley sure did. On the one hand, I admire him. On the other I loathe him. At times I felt Sally Smith spent too much time on Hollywood gossip type stuff. But in the end I was impressed with her ability to do so. Having been a broadcaster, it was very interesting, but long. 1 of 1 people found the following review helpful. Good Book By Timothy R. Rinkoski Fascinating portrayal of the early life of Television and the ultimate power broker. Well written, although a bit tedious at times.

The Life and Times of William S. Paley and the Birth of Modern Broadcasting From the Trade Paperback edition.
