Common Sense Tips That Many Miss By Craig Sadly, this book talks about the principles most of us learned in the First Grade, but the Sad part is that we encounter everyday people that failed to learn the lesson. Simple things about being proactive, interested in others, self development, organizing ourselves, behaving in public, and the list continues. I hope that you do not find the book eye-opening, but it reinforces what you already know. I am certain though you will find some nuggets that will improve your outcome in life. Go make it happen. 0 of 0 people found the following review helpful. This is a great book for anyone who may be evaluating why they ... By sparky1 This is a great book for anyone who may be evaluating why they have been consistently overlooked for promotion. It applies to all areas of business, unless you are self employed.
