Theodore J. Mock, Jerry L. Turner : Internal Accounting Control Evaluation and Auditor Judgement: An Anthology (Routledge New Works in Accounting History) before purchasing it in order to gage whether or not it would be worth my time, and all praised Internal Accounting Control Evaluation and Auditor Judgement: An

Anthology (Routledge New Works in Accounting History):

This anthology presents the results of a comprehensive empirical study of internal control evaluation and auditor judgment initiated by Peat, Marwick, Mitchell Co. in 1977 and originally published as an American Institute of CPAs research monograph in 1981, which was awarded the American Accounting Association Wildman Award in 1982. This book contains an updated review of the professional literature related to internal control, multivariate analyses of the original statistics and analyses of the decision criteria used by the auditors.
