Pru Marriott, J R Edwards, Howard J Mellett : Introduction to Accounting (Accounting and Finance series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to Accounting (Accounting and Finance series):

Introduction to Accounting has already stood the test of time, and this new and improved third edition will ensure that it remains one of the best, if not the "best ever" introductory textbooks on accounting'- "Michael Sherer, University of

Essex "I think the book admirably achieves the authors' objective of providing an introduction to accounting which embraces both the basic techniques and the underlying theoretical concepts'- "Accounting and Business Research " an excellent book which should be compulsory reading for all first year students on accounting degree courses'- "Association of Banking Teachers Bulletin"Introduction to Accounting has already stood the test of time, and this new and improved third edition will ensure that it remains one of the best, if not the "best ever" introductory textbooks on accounting'- Michael Sherer, University of Essex I think the book admirably achieves the authors' objective of providing an introduction to accounting which embraces both the basic techniques and the underlying theoretical concepts'- Accounting and Business Research ...an excellent book which should be compulsory reading for all first year students on accounting degree courses'- Association of Banking Teachers Bulletin `Introduction to Accounting has already stood the test of time, and this new and improved third edition will ensure that it remains one of the best, if not the "best ever" introductory textbooks on accounting?- Michael Sherer, University of Essex `I think the book admirably achieves the authors' objective of providing an introduction to accounting which embraces both the basic techniques and the underlying theoretical concepts?- Accounting and Business Research `...an excellent book which should be compulsory reading for all first year students on accounting degree courses?- Association of Banking Teachers Bulletin
