Richard Maun : Job Hunting 3.0 before purchasing it in order to gage whether or not it would be worth my time, and all praised Job Hunting 3.0:

Probably the best book for anyone looking for a job in the UK today, because it comprehensively covers a wide range of essential tools and skills. Competition is fierce and employers and recruiters are becoming more skilful and discerning. Finding the job you want today requires more than a brilliant CV and the ability to answer tough interview

questions. Job hunting has become a sophisticated game, and to play it well you must have the right set of tools and skills that can really make a difference. This book, based on successful seminars taught at a leading UK university and to a range of other clients, provides tools, tips, skills and secrets to turn you from an amateur into a professional player in today's job hunting market. You will become more confident, maximise your achievements, increase your opportunities and sell yourself more effectively by undertaking this proven framework. About the Author: Richard Maun is visiting fellow at a leading UK university and a highly experienced career and leadership coach, who knows what people need to get them moving, increase their confidence and make them more successful. He also lectures on career matters and communication skills at business schools and other institutions and works with a range of senior teams in the private sector. He is the author of several business books, which have been sold around the world.

About the Author Richard Maun is a visiting lecturer at Cranfield University on career management and entrepreneurship. He is the author of *My Boss is a Bastard* and *Leave the Bastards Behind* (Marshall Cavendish).
