John Rockefeller : John D. Rockefeller on Making Money: Advice and Words of Wisdom on Building and Sharing Wealth before purchasing it in order to gage whether or not it would be worth my time, and all praised John D. Rockefeller on Making Money: Advice and Words of Wisdom on Building and Sharing Wealth:

4 of 4 people found the following review helpful. This is a great collection of quotations from John DBy Michael

Tilma This is a great collection of quotations from John D. Rockefeller on a variety of subjects related to money. A very easy read, and very interesting, especially the personal letters at the end of the book between himself and his son. I enjoyed it, but didn't get any revolutionary information from it. 1 of 1 people found the following review helpful. Everything is different but everything remains the same By patrickhmcg This was very good but not great. The business insights were still strong in many areas of our work today so it made the old saying ring true again; "Everything is different but everything remains the same." I purchased this book on sale and was worth the small investment. The ending however, came out of nowhere. I think it is worth the read but I would recommend doing a Wikipedia or similar search on JDR to read a little deeper into his thinking and to see how he addresses what many would believe to be hypocritical in some instances. 1 of 1 people found the following review helpful. But if you are interested in how John D thought and would like to reference his quotes this is a nice reference By Bookwormwood Literally a collection of his quotes and not organized too well. But if you are interested in how John D thought and would like to reference his quotes this is a nice reference.

Advice and words of wisdom from the greatest American businessman and philanthropist. John D. Rockefeller is considered to be the wealthiest man to have ever lived, after adjusting for inflation. An American businessman who made his wealth as a cofounder and leading figure of the Standard Oil Company, he also had a pivotal role in creating our modern system of philanthropy. Collected in John D. Rockefeller on Making Money are the words from the man himself, offering advice on how to successfully start and manage a booming business, as well as the most efficient ways to preserve your wealth once you have acquired it. These quotes also cover: Happiness in the face of great wealth Money and its effects Thoughts on facing public criticism Thoughts on big business in the USA Included are John D. Rockefeller's thoughts on the most sage and conscientious manner of distributing and sharing your wealth when your wealth is overflowing. Finally, we get a glimpse into Rockefeller's life with the inclusion of some of his most personal correspondence.

About the Author John D. Rockefeller (1839–1937) was an American businessman and philanthropist. As cofounder of the Standard Oil Company, he revolutionized American business and philanthropy through his actions and thoughts.
