**Joseph Morris : Joint Ventures: Business Strategies for Accountants** before purchasing it in order to gage whether or not it would be worth my time, and all praised Joint Ventures: Business Strategies for Accountants:

A joint ventures is the joining of two or more business entities or persons in order to undertake a specific business venture. Although a joint venture is not a continuing relationship like a partnership, it may be treated as a partnership

for income tax purposes. This book explains everything financial management must know and provide when their corporation is entering a joint venture.

From the PublisherA joint ventures is the joining of two or more business entities or persons in order to undertake a specific business venture. Although a joint venture is not a continuing relationship like a partnership, it may be treated as a partnership for income tax purposes. This book explains everything financial management must know and provide when their corporation is entering a joint venture.
