Journalistic Ethics: Moral Responsibility in the Media examines the moral rights and responsibilities of journalists to provide what Dale Jacquette calls "truth telling in the public interest." With 31 case studies from contemporary journalistic practice, the book demonstrates the immediate practical implications of ethics for working

journalists as well as for those who read or watch the news. This case-study approach is paired with a theoretical grounding, and issues include freedom of the press, censorship and withholding sensitive information for the greater public good, protection of confidential sources, journalistic respect for privacy, objectivity, perspective and bias, and editorial license and its obligations. This is a book for anyone who now works in journalism, or is considering a career as a journalist. It is also important groundwork for everyone who follows the day's events in newspapers, radio, television, or on the internet.
